Usage

Equip the item into the main (active hotbar slot) or off-hand. `Left Click` to attack, hold `Left Click` to dig.

Perks

Amethyst tools have Efficiency II integrated. Further enchantments will stack with this initial bonus. **TBC**

More Information: Balance

Balance

> Amethyst armor and weapons may not be suited to the balance of every server or modpack - How To Remove Items

Functional Amethyst tools require a lengthy and costly crafting process that includes ores of every tier, including netherite.

Enchanting

Amethyst axes can be enchanted in an enchanting table, or combined in an anvil with axe enchantments.

Repair

Amethyst items can be repaired using:

- Shining Amethyst Shard (Anvil)
- Mending Enchantment

Known Issues

You can report any mod issues to our bugs forum on **Discord** - please check for duplicate reports first!
