Brush

Description: a Brush is an item used to raise affinity with your horse.

Details:

Rarity color:	Common
Renewable:	Yes
Stackable:	Yes (64)
Durability	None

Obtaining

Crafting
Brushes come in a single (brown) color.
A brush can be crafted by using 1 Plank Block (vanilla - any type) and 1 Dried Kelp.

Usage

Right clicking a horse with a brush to use it. You can brush your horse up to 7 times per Minecraft day, with varying particles to indicate the horse's enjoyment. Daily brushing is a small way to increase a horse's affinity.

After brushing a horse 7 times in a single day, they will display Red (Bad / Angry) particles, indicating affinity is no longer increasing. Currently there is no negative effect to affinity to keep brushing your horse beyond this point.

Brushing	Particles	Affinity

1st	Purple (Woot)	+9
2nd	Purple (Woot)	+8
3rd	Purple (Woot)	+7
4th	Green (Yay)	+6
5th	Green (Yay)	+5
6th	Gray (Meh)	+4
7th	Gray (Meh)	+3
8th	Red (Bad)	+/- 0
