Fly Spray

Description: Fly spray is a healing item with a potion effect to increase healing in a horse.

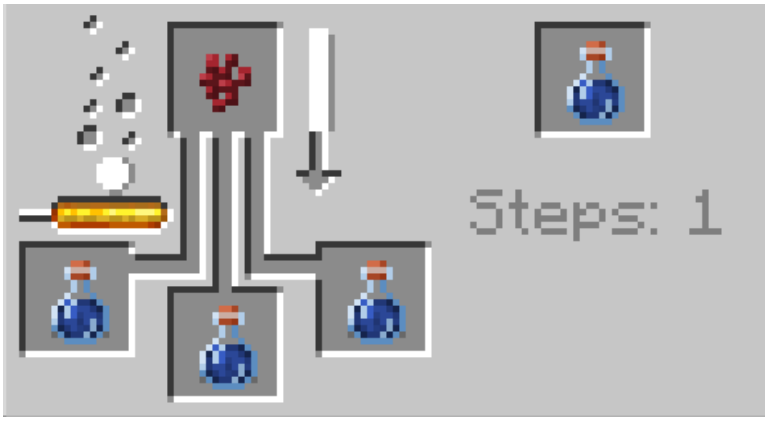

Details:

Rarity color:	Common
Renewable:	Yes
Stackable:	No
Durability:	Yes (8 uses)

Obtaining

> Potion brewing uses blaze powder - use Cantazarite (+ other ingredients) to make blaze rods without visiting the nether!

Brewing
Nether Wart and 3 Water Bottles in a brewing stand yields 3 Awkward Potions.

Glistening Melon and 3 Awkward Potions in a brewing stand yields 3 Fly Spray bottles.

Usage

Healing Item

Right-clicking a Horse with a Fly Spray will apply a healing effect for ~15 seconds - speeding up health recovery from any damage sustained prior to or during its effect. Fly spry does not work on any other entities and does not increase a horse's health level XP in any way. Fly spray has 8 uses per bottle, once depleted the item will be destroyed.

> You can view a horse's health by shift + right clicking to open the needs / inventory GUI.

Known Issues

If you find an issue, please report it to our bugs channel on **Discord**. We ask that you look to see if your issue was reported first!
