Obtaining

Crafting

Halter and Lead Racks come in a single (gray/black) color.

A halter and lead rack can be crafted with 1 Bridle Rack, 1 Stone Button and 1 Stick.

Usage

Right-click a vertical block with a halter and lead rack in hand to place. Halter and lead rack can be mounted on blocks, slabs, fences and wall but look best on full blocks, upside down stairs or top slabs.

A halter and lead rack can hold one Bridle or Halter and one leadrope at a time. Right-clicking an empty halter and lead rack with a valid item will place it, and right-clicking again with an empty hand will remove it.
