How To Get Help

Discord

A lot of the things you would need help with can be found in this Wiki but if you need to ask specific questions, we are most active on Discord, link below.

Website

> The website is no longer being maintained and is outdated. Use the wiki for the most up to date information.

The website holds a lot of general information that would be helpful for answering questions or linking to wear you'd like to go!

https://www.swequestrian.com/

Github

> Our GitHub is currently closed to the public. If you find an issue, please report it to our bugs channel on Discord.

Found a bug? You can submit an issue on Github. You help us find a bug, we help you by fixing the bug!

> *Any questions or issues posted to our socials (YT etc) or Curseforge comments will not be seen and will receive no support.*
