Trivia

Rain, along with companions Spirit and Esperanza, are inspired by and named after characters from the hugely popular 2002 DreamWorks Animation film *Spirit: Stallion of the Cimarron*.

SWEM's Rain is designed to resemble Rain as a tribute to the beloved movie character, but not match exactly on all her markings or features. Early into development, the limited knowledge of law surrounding the use of such movie characters was a concern for legal action, so the coat was intentionally made as it's own inspired but not directly replicated version of Rain!
