

Rose Feed

Description: Rose feed is an item that can be placed in Grain Feeders for Horses to eat, or used in breeding.

Details:

Rarity color:	Common
Renewable:	Yes
Stackable:	Unopened: Yes (16) Opened: No
Durability:	Yes (4)

Obtaining

Crafting

Rose Feed comes in 1 (white, green & red) color.

Rose Feed is be crafted with 1 Sweet Feed and 1 Rose.

Usage

A bag of rose feed starts out unopened until right-clicked in hand to open. This gives the item's inventory texture a slightly crumpled appearance. Each bag of rose feed can be used four times before it is used up (disappears). Right-click a grain feeder with an open rose feed bag in hand to fill up the feeder. SWEM Horses will eat from accessible grain and hay-feeders when hungry.

Known Issues

If you find an issue, please report it to our bugs channel on [Discord](#). We ask that you look to see if your issue was reported first!

- **[-]** Shavings can sometimes obstruct horse pathing to grain feeders (so horses do not eat rose feed).
