Obtaining

Crafting

Rubber Mats come in 3 colors; light (light gray), medium (gray) and dark (black).
16 rubber mats can be crafted with 1 Cobblestone, 1 Dried Kelp and 1 Dye of the chosen color (Light Gray, Gray or Black)

Light	Medium	Dark
		

Usage

Rubber matting is primarily for decoration and provides comfortable and realistic footing to SWEM horses and other entities. At present it is purely cosmetic and has no function or benefit to the SWEM horse outside of RRP. They can be used in many ways to decorate your stable or other types of builds. We suggest:

- Realistic and welfare conscious footing for horse stalls
- Non-slip flooring for wash stalls and tackup areas
