## Obtaining

### Crafting

Sweet Feed comes in 1 (blue, red & white) color.

Sweet Feed is crafted with 1 Egg. 1 Iron Nugget, 1 Sugar and 1 [Oat Bushel](#).

## Usage

A bag of sweet feed starts out unopened until right-clicked in hand to open. This gives the item's inventory texture a slightly crumpled appearance. Each bag of sweet feed can be used four times before it is used up (disappears). Right-click a [grain feeder](#) with an open sweet feed bag in hand to fill up the feeder.  [Horses](#) will eat from accessible grain and [hay-feeders](#) when hungry.

A grain feeder full of sweet feed (single serving).

# Known Issues

If you find an issue, please report it to our bugs channel on **Discord**. We ask that you look to see if your issue was reported first!

- **[-]** Shavings can sometimes obstruct horse pathing to grain feeders (so horses do not eat sweet feed).
