Obtaining

Crafting

Vet Bags come in a single (gray/red) color.

A vet bag can be crafted with 3 Black Wool Carpet and 1 Red Dye.

Usage

Right-click a horse with a vet bag in hand to view the following stats:

- Meal Points (requires 224pts per day)
- Grain Status (if the horse has eaten grain)
- Missed meals
- Missed drinks

The stats will be displayed in the chat (client side). If the horse is named, it will state its name so you can quickly identify and refer back to any horses that need additional care for missing meals. If a horse is not named, it will only state *SWEM Horse*.

"This horse, Sweetboi, has gained # points today, has/not eaten grain, has missed # meals and # drinks."

"This horse, SWEM Horse, has gained # points today, has/not eaten grain, has missed # meals and # drinks."
