Obtaining

Crafting

A charcoal block can be crafted with 9 [Charcoal](#).

Usage

Charcoal Blocks can sustain a permanent fire, similar to Netherack or coal ore, when lit with a flint and steel. They can also be placed in furnaces, blast furnaces or smokers to power them. They are equal to 10 coal or charcoal (800 seconds - up to 800 items per block) - the same as [coal blocks](#). As charcoal can be easily produced with logs, charcoal blocks represent a relatively cheap and easy alternative to coal for smelting.
