Sapling

Description: Create saplings from logs and leaves.

Details:

Rarity color:	--
Renewable:	--
Stackable:	--
Durability:	--

Obtaining

Crafting
A sapling can be created using 1 Log and 1 Leaf Block of a **corresponding** type - all vanilla wood and leaf types can be crafted into their corresponding sapling.

> Credits for the crafting recipe go to **MrBrobot**.

Usage

Saplings are a vanilla item. See: Minecraft Wiki
